- Weight: 0.9Kg / 2.0lb
- CE compliant to all relevant standards
- Designed and manufactured to ISO9001:2015 standards

Overview

Level 6 DMX is designed to be a simple and intuitive small lighting desk, making it ideal for DMX control applications as diverse as schools, meeting rooms and museums.

Featuring six channel faders and an overall master – the Level 6 DMX is convenient for hand held operation or alternatively fixed to a wall. Direct fader control also makes it useful for simple control of 2 RGB colour mixing groups or even used for testing and proving DMX control. A localised power supply is included in the package.
